

06	Mobilisation of Scrap	As per target to be communicated.	Divisions should be cleared of all scrap. Be proactive & look for identifying/ mobilize scarp & help executive in offering for disposal.
07	Infrastructure	Create stocking, handling & distribution facilities.	
08	Innovations	Every month to bring about improvement in working through innovations.	One should always look for the ideas & suggestions from the staff & officers regarding overall activities of department. Good innovations must be exchanged & rewarded. There is no system of awarding efficiency shields for best depot including divisional, scrap disposal , purchase sections. ?
09	Training for staff	e. Min. 20% Group C staff in each grade to be sent for training to ZTRI/APDJ f. At least two sessions to be organized at work place.	Special efforts to be made by all stores officers & develop the ZTRI into attractive proposition.
10.	MMIS/E-procurement	To integrate divisional depots with rest of stores.
